### **Information Collection, Use, and Sharing**

- Sunshine Pediatrics is the sole owners of the information collected on this site. Sunshine Pediatrics only has access to/collect information that you voluntarily give us via email or other direct contact from you. Sunshine Pediatrics will not sell or rent this information to anyone.
- Sunshine Pediatrics will use your information to respond to you, regarding the reason you contacted us. Sunshine Pediatrics will not share your information with any third party outside of our organization, other than as necessary to fulfill your request, e.g. to ship an order.
- Unless you ask us not to, Sunshine Pediatrics may contact you via email in the future to tell you about specials, new products or services, or changes to this privacy policy.

### **Your Access to and Control Over Information**

You may opt out of any future contacts from Sunshine Pediatrics at any time. You can do the following at any time by contacting Sunshine Pediatrics via the email address or phone number given on our website:

- See what data Sunshine Pediatrics has about you, if any.
- Change/correct any data Sunshine Pediatrics has about you.
- Have Sunshine Pediatrics delete any data we have about you.
- Express any concern you have about our use of your data.

### **Security**

- Sunshine Pediatrics takes precautions to protect your information. When you submit sensitive information via mysunshinepediatrics.com, your information is protected both online and offline.
- Wherever Sunshine Pediatrics collects sensitive information (such as credit card data), that information is encrypted and transmitted to us in a secure way. You can verify this by looking for a lock icon in the address bar and looking for "https" at the beginning of the address of the Web page.
- While Sunshine Pediatrics uses encryption to protect sensitive information transmitted online, we also protect your information offline. Only employees who need the information to perform a specific job (for example, billing or customer service) are granted access to personally identifiable information. The computers/servers in which we store personally identifiable information are kept in a secure environment.
